THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2011-68-E - Progress Energy Carolinas, Inc.'s Notices and Information Required by Regulatory Conditions 25 and 31 of Commission-Order No. 2000-229 (See Also Docket No. 2011-158-E);
-and-

DOCKET NO. 2011-158-E - Application Regarding the Acquisition of Progress Energy, Incorporated by Duke Energy Corporation and Merger of Progress Energy Carolinas, Incorporated and Duke Energy Carolinas, LLC - Discuss with the Commission the Joint Motion to Hold Proceeding in Abeyance.

COMMISSION ACTION:

Move to suspend all currently scheduled deadlines and the hearing date, and grant in part the Joint Motion to Hold Proceeding in Abeyance until such time as Duke and Progress file mitigation measures at the Federal Energy Regulatory Commission (FERC) and this Commission. While I believe that the better course is for this Commission to wait until the intervenors have had time to comment on the mitigation measures to FERC and for FERC to determine whether those measures are sufficient, I am willing to review Duke and Progress's proposed mitigation measures filing before making that determination. Therefore, I move that, at such time as Duke and Progress make their filing, the Commission shall review their filing, allow time for the parties in this Commission's docket to comment, and then determine whether or not the hearing shall continue to be held in abeyance.
